

Transportation Idea Exchange (TIE) Meeting Meeting Agenda

11400 South Project
August 12, 2009
5:15 -6:45 pm
South Jordan City Council Chambers

OVERVIEW OF THE TIE

Purpose

- ◆ Work in a **constructive, collaborative** manner with UDOT, the design-builder, the cities and the stakeholders in the area to create a corridor that is an asset to the community.

Ground Rules

- ◆ Respect
- ◆ Open Communication
- ◆ Create a team environment
- ◆ Identify negotiable, responsibilities, and constraints
- ◆ Identify non negotiable issues and items
- ◆ 2-way education-- TIE & Project Team
- ◆ Clearly identify responsibilities of members
- ◆ Commitment from TIE members for duration of project
- ◆ TIE members input has an effect on outcome
- ◆ **Focus on Overall Corridor**
- ◆ **Committee members who miss prior meetings will take responsibility to get the information so discussions are not repeated providing the ability to move forward.**
(6/2009)

Responsibilities

- ◆ Comment on design to advance commitments reached through public involvement during the Study process and in the EIS.
- ◆ Provide input on aesthetic treatment and landscaping design.
- ◆ Evaluate Design-Builder's performance on MOT operations and public involvement / information activities.
- ◆ Participate in determining Incentive Awards to the Design-Builder.
- ◆ Act as a representative for their community.

Time Commitment

- ◆ Commitment through construction – 2 years
- ◆ Monthly Meetings
